School District of Amery | District Newsletter | February 2025

The School District of Amery has EXCEEDED EXPECTATIONS for all eleven years that the DPI has issued a State of Wisconsin Accountability Report Card.

Amery students also excel in ways that could never be measured by written tests or a state-mandated scorecard.

Learn more on pages 8-10.

Amery Band has Magical Experience in Florida!

After months of planning, fundraising, and rehearsing, on December 31, under the guidance of Band Director Meredith Rhodes-Lundgren and ten chaperones, the band and color guard left the high school at 3:30 am to board their flight to Florida. The group included a total of eighty-one travelers.

For the twelfth time since 1981, the Amery High School Band embarked on a major trip to showcase their talent, represent Amery, enjoy new and unique experiences, and of course, have fun. Every four years the high school band has traveled across the country to perform at theme parks, bowl games, parades, and other iconic locations. By planning a trip every four years, every high school student in band has the opportunity to participate.

Over the past forty-four years, the band has proudly represented small-town Amery, WI in California, Florida, New York City, Washington DC, Texas, and Georgia.

This year's trip included air travel, a day at the ocean, visits to Universal Studios and Hollywood Studios, and an incredible day at Walt Disney World's Magic Kingdom, where they marched and performed for thousands of onlookers on Main Street USA. On the day they marched, Magic Kingdom was sold out to over 100,000 guests.

According to Rhodes-Lundgren, the entire marching experience can be summed up in a single word: PRIDE. "When we were warming up, we were under the roofed, outdoor deck area. As we did a run-through, I watched the students play their hearts out. The acoustics of the space made us sound like a college group. I looked around and thought, these kids are incredible. I was so proud."

It was pouring rain as they were waiting to go backstage, and not one student complained. The kids were soaking wet in ponchos that didn't provide much protection. Rather than disappointment, the kids laughed and asked if they were still marching. Rhodes-Lundgren assured them that if Disney allowed it, they were going to march; they were not afraid of rain.

The rain stopped, and they marched as planned! "I was so proud," said Rhodes-Lundgren. "I looked around to my student's faces, whose eyes were lit up with joy and darting around to take in the moment. I then looked over at the crowds who were in awe of us - thousands of people recording and cheering for us. We were marching by the Disney Castle lit up at night, and the streets were lined with holiday lights. What more could you ask for?"

For many students, this was their first time on an airplane, their first journey beyond the Midwest, their first time traveling without their families, their first time seeing and swimming in the ocean, and their first time visiting a major theme park. They made unforgettable memories!

The band is grateful for the support from the Amery Band Boosters, the school district, the Amery Board of Education, the band parents, and the Amery-area community for making this incredible experience possible for them.

The Amery Band Boosters raised over \$72,000 for this trip, thanks to various fundraising events backed by the community. Thank you!

Rhodes-Lundgren said, "I always tell my bands, we are family. I know after this AMAZING band trip, that our band family (students, chaperones, and all others who attended this trip) are a lot closer."

Favorite Moments & Memories:

"Watching students make lifetime memories throughout the day. Going out to eat together, riding rides, playing games while on rides, playing at the pool: just being kids. Oftentimes, I see youth in front of a screen: during this week in Florida: I witnessed core memories being made. This travel experience is something each and every student will always remember. I am so lucky to have been a part of this memorable experience."

Director, Meredith Rhodes-Lundgren

"Marching down Main Street of Magic Kingdom and being surrounded by all of the lights and all of the people watching and supporting us." Anna L Williamson, grade 9

"Going on Hagrid's Motorbike Adventure ride because it was the first ride we went on and my first roller coaster ever." Taylor Moulton, grade 12

"Watching the fireworks show in front of the Magic Kingdom castle." Lilli Powell, grade 10

"Getting to see them march down Main Street USA at Disney World was a truly magical moment, and I was so proud." Shelley Fronczek, Chaperone

"Marching at Disney. People lined up and down the streets cheering for us and taking pictures. For some of us, it was the first time at Disney, and I got to be part of that experience." Zoe Bymark, grade 10

"Jumping in the waves with friends at the ocean."

"The parade in Disney because we marched through all the lights on the castle in Magic Kingdom. Everybody was so excited, and the energy was so high! It was awesome." Grace Williamson, grade 12

"Going to the beach with everyone. It's hard to find an activity for a group this big, but on the beach I got to swim and run with everyone, and especially in winter, it was a blast!" Frankie Richardson, grade 9

MASKED READERS TAKE THE STAGE!

Lien Elementary School - 31st annual Family Reading Night

You have likely heard of the reality TV show "The Masked Singer," where celebrities perform a song while concealing their identities behind masks. Well, move over Nick Cannon . . . there is a new show in town!

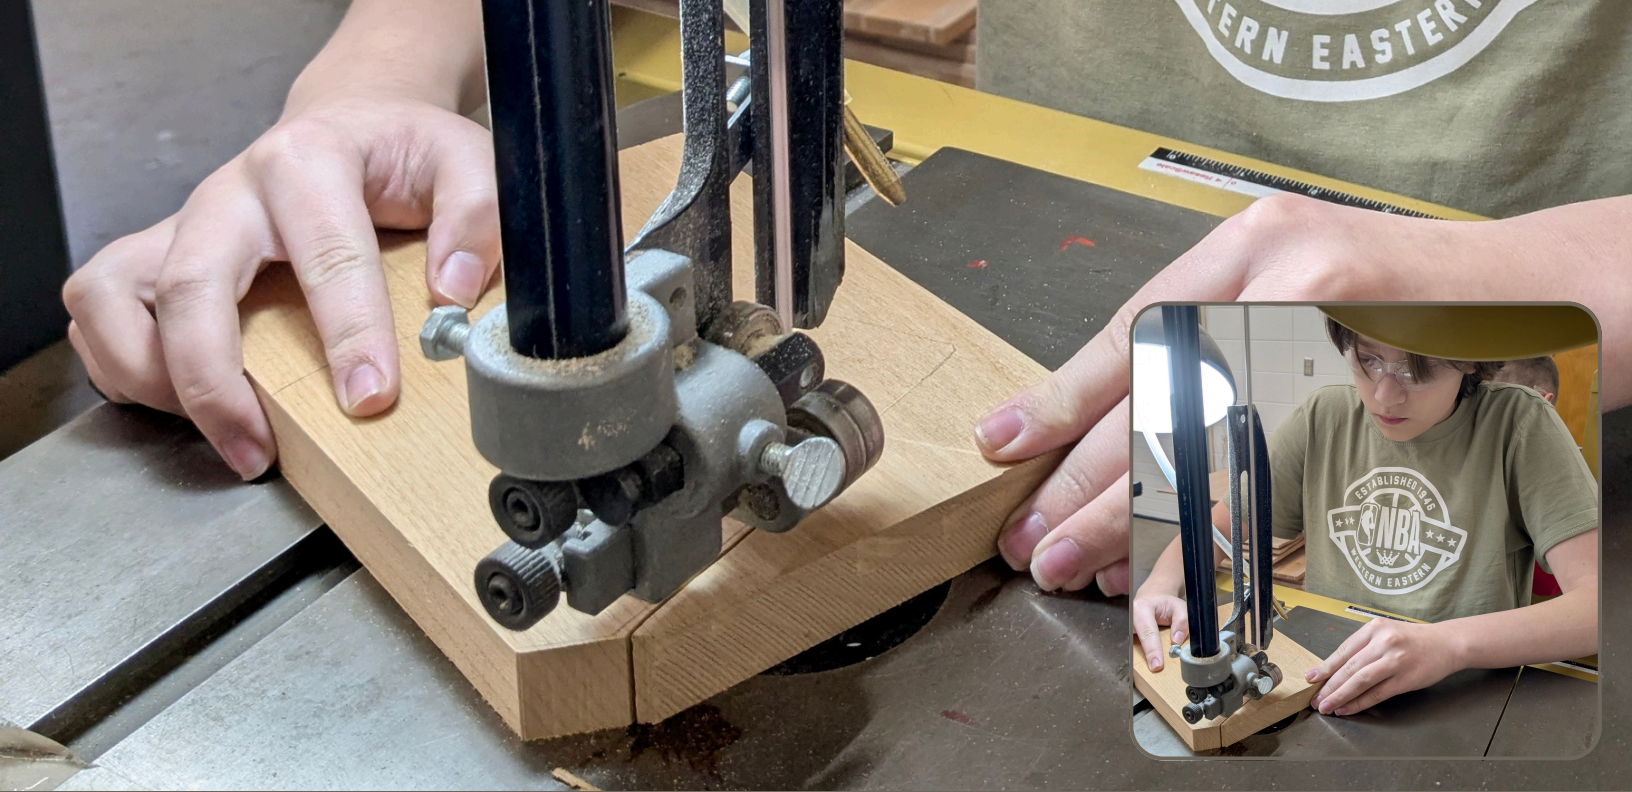

On January 23, the Lien Elementary School Reading Committee hosted a family engagement event called "The Masked Reader," attracting over 130 attendees!

Families were invited to participate in an unconventional story time featuring mystery readers who were disguised in inflatable animal costumes and sharing classic tales with the audience. Books included: **The Wonky Donkey** by Craig Smith, **Misunderstood Shark** by Ame Dyckman, **The Koala Who Could** by Rachel Bright, and **Fluffy and Baron** by Laura Rankin. The masked readers provided clues about their identities, which were revealed on stage at the end of the evening.

In addition to the storytelling, every student received a complimentary book of their choice and an animal mask, encouraging the young readers to continue the fun at home by becoming masked readers themselves! We are thankful to all who took the time to share the evening together at school and hope to see our students sharing even more books at home with their families.

A special thanks to Power Up for generously donating healthy snacks for the program.

6th & 7th Grade Technical Education Students are Hands-On

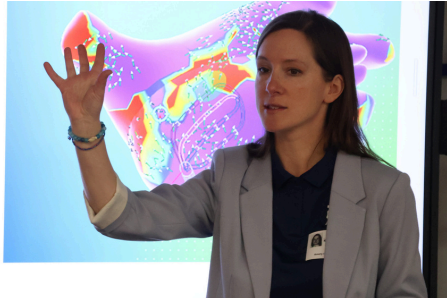

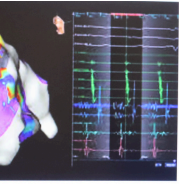

In sixth grade, students learn how something is made and how to read a ruler while crafting their own cutting boards in their six-week Technology Education class. In addition to making the cutting board, students select a piece of artwork and text to engrave on the board using the middle school CNC router. The engraving is filled with colorful epoxy, and the students complete the project by sanding and finishing the board with mineral oil.

In seventh grade Technology Education, students turn into mini carpenters as they whip up wooden phone stands. They begin by tracing the parts onto the stock using a template. Next, they utilize both the drill press and band saw to cut out the template, followed by gluing and finishing the stands.

It's Never Too Early for Career Exploration

Intermediate School Career Fair is a Success!

Students in 3rd, 4th, and 5th grades had a fantastic experience meeting professionals from various career fields and discovering what they do every day.

The Intermediate School Career Day featured guest speakers from a wide range of careers including lawyers, farmers, engineers, police officers, and even a dog kennel owner! Each visitor shared interesting facts, told engaging stories, and even shared props to illustrate their job. Some students even got to sample items, handle unique tools, and ask great questions.

As part of Amery's comprehensive school counseling program, we aim to support students in their career development. At the Intermediate School, the goal is to encourage students to consider potential career paths while helping them recognize their own interests and skills and how these can lead them to a rewarding career.

It's also important to expose students to the variety of careers available. Since Intermediate School students tend to think concretely, they have limited exposure to the various occupations available to them. For instance, many students aspire to be professional athletes, veterinarians, lawyers, or teachers. While these are all admirable careers, the goal is to challenge students to explore careers they may not yet know about.

We are very fortunate to have had so many speakers willing to take time out of their day to share their experiences with our students. Thank you to all the amazing speakers who inspired Amery students!

"I thought I knew what I want to be when I grow up, but after hearing one of the speakers, I want to do that now!"
-Intermediate School Student

Career Day Speakers

- Megan Greeson - Organic Vegetable Farmer
- Joshua Stinson - Army National Guard
- Laura Baker - Real Estate Company/Agent
- Lindsey Pratt - Business Loan Analyst/Underwriter
- Christine Setter - Nuclear Engineer
- Heather Wiarda - Librarian
- Art D'Ambrosio - Electrician/Business Owner
- Kip Harris and Dan Peters - Police Officers
- Kelly Boucher - Medical Engineer
- Steve Osero - Business Manager/Owner
- Erin Williams - Barron County Recycling Center
- Tony Meyers & Pillar Bank staff - Banking
- Gwen Dado - Dairy Farmer/Producer
- Jon McBride - Chef/Restaurant Manager
- Anna Melberg - Boarding Kennel Owner
- Bryan Byrnes - Lawyer

Children who do not live in the School District of Amery can attend Amery Schools

What is Open Enrollment?

The public school open enrollment program allows parents to apply for their children to attend public school in a school district other than the one in which they reside.

Who can apply?

Any WI resident in 4K–grade 12 may apply to attend a nonresident school district. However, a child may transfer to a nonresident school district for early childhood education or 4K only if the child's resident school district offers the same type of program and only if the child is eligible for that program in the resident school district.

When can parents apply?

The regular application period for the 2025–26 school year ends at 4pm on April 30, 2025. The best way to apply is online using the URL link provided below and on the School District of Amery website Enrollment page.

An alternative application procedure allows pupils to apply for open enrollment at any time during a school year if certain criteria are met.

dpi.wi.gov/open-enrollment

From the District Administrator

We are well past our 100th day of school. And, as always, there is much to celebrate. We successfully moved through the start of the school year 2024–2025 and positioned ourselves for one of our best school years ever. As we move through the second half of the school year, we have put the work of the referendum and athletics facilities behind us and moved on to the excitement of using these wonderful additions.

Highlighted in this newsletter is the strong performance of the School District of Amery on the state-mandated district report card. For over a decade, our district has 'Exceeded Expectations' on the state report card. Leading the way this year was the performance of Amery Middle School which 'Significantly Exceeded Expectations' and was honored nationally in November as a 2024 Blue Ribbon School.

We are also featuring the successful AHS Band trip to Florida, the Lien Elementary 'Masked Reader' reading incentive program, the hands-on Technology Education projects at the Middle School, and a great Career Day event at the Intermediate School. Though we feature these things here, we all know that there is so much more that happens every day in our classrooms and before and after school; we are incredibly proud of all our students, staff, and their successes.

We are moving into the winter athletics playoff season with high hopes for tournament runs for boys and girls hockey, basketball, and wrestling. The AHS Dance team qualified for state competition in Hip Hop, and we have had a great season of team and individual victories: boys hockey heads into the conference tournament and playoffs as the #1 seed in both; girls hockey is the #2 seed for playoffs; three individual wrestlers are in the state rankings; senior Carter Wollan has become Amery's all-time leading scorer in basketball and exceeded 2,000 points; Luciana Aizpurua has exceeded the 1,000 point milestone in girls basketball; senior Lane Andersen has surpassed 150 victories in his high school wrestling career; and junior Jacob Maxon has scored over 100 points in his hockey career. It's a great time to be an Amery Warriors fan!

As always, please know that the staff of the School District of Amery are available if you have any questions regarding the education of your child(ren). We assume our role in the lives of your children with pride. Your children are worthy of our time and energy. Further, we have great confidence in our ability to help provide your child(ren) with the success they deserve. We are proud to stand with you as we celebrate the great successes of your kids.

DISTRICT REPORT CARD *Highlights*

As part of the state accountability system, the Wisconsin Department of Public Instruction (DPI) produces Report Cards for every publicly funded school and district in Wisconsin. The Overall Accountability Score places each school and district into one of five Overall Accountability Ratings. Learn more here: <https://dpi.wi.gov/accountability/report-cards>

LIEN ELEMENTARY SCHOOL Grades 4K-2

- There are no mandated standardized tests at the elementary level. Instead, the elementary school receives an 'Alternative Rating' (AR).
- Lien Elementary uses FastBridge, an assessment tool to determine areas of growth and to plan for student needs. The FastBridge benchmark scores are determined three times per year and help drive lesson planning and interventions necessary to develop student skills.

AMERY INTERMEDIATE SCHOOL Grades 3-5

- **EXCEEDS EXPECTATIONS** for the eleventh consecutive year.
- Exceeds the state in English/Language Arts by 10.3 points.
- Exceeds the state in Math by 12.5 points.
- The Math Growth score exceeds the state Math Growth score by 9.5 points.

AMERY MIDDLE SCHOOL Grades 6-8

- **SIGNIFICANTLY EXCEEDS EXPECTATIONS** and has Exceeded or Significantly Exceeded Expectations for eleven consecutive years.
- The overall score of 92.6 is the ninth highest of ALL Wisconsin middle schools (top 2%).
- The overall score is the **HIGHEST** of ALL CESA 11* middle schools.
- The overall score is the **HIGHEST** in the Middle Border Conference.
- The overall Growth score is the **HIGHEST** of all Wisconsin middle schools.

Amery Middle School is a 2024 National Blue Ribbon School!

This prestigious recognition highlights select schools **nationwide** that excel in academic performance or make significant strides in closing achievement gaps.

Amery was 1 of only 356 schools recognized nationwide and 1 of 8 in Wisconsin.

AMERY HIGH SCHOOL Grades 9-12

- Ninth grade pre-ACT composite scores are the **HIGHEST** in the Middle Border Conference.
- Overall Achievement scores are in the top 59% of the state.
- The Achievement score is 15th highest of 39 schools in CESA 11*.
- The participation rates for post-secondary preparation and arts far exceed the state rates in almost every area (see below).

ADVANCED PLACEMENT

106 students (23.4%) successfully completed at least one Advanced Placement course.
Amery 68.4%
State 25.7%

DUAL ENROLLMENT

310 students successfully completed at least one dual enrollment college credit course.
Amery 68.4%
State 25.7%

INDUSTRY-RECOGNIZED CREDENTIALS

22 students earned at least one industry-recognized credential.
Amery 4.9%
State 4.7%

WORK-BASED LEARNING

135 students participated in a work-based learning program.
Amery 29.8%
State 8.5%

MUSIC

134 students successfully completed at least one music course.
Amery 29.6%
State 19.2%

ART & DESIGN

229 students successfully completed at least one art & design course.
Amery 50.6%
State 29.1%

Data source: 2023-2024 Wisconsin Department of Public Instruction *CESA 11 includes the 39 school districts in northwestern Wisconsin

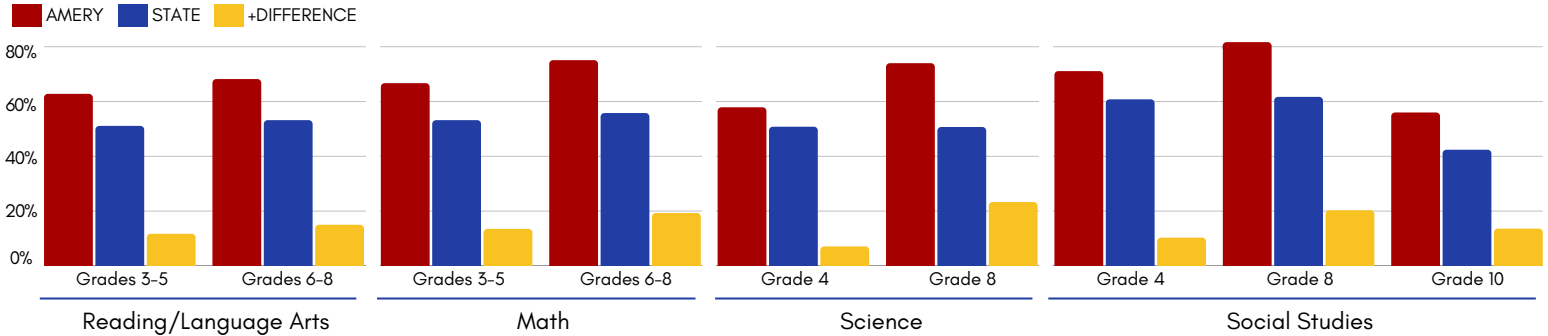

ACADEMIC ACHIEVEMENT *Forward Exam*

The Wisconsin Forward Exam is designed to gauge how well students are doing in relation to the Wisconsin Academic Standards. These standards outline what students should know and be able to do in order to be college and career ready.

The Forward Exam is administered online in the spring of each school year to grades 3-8 in Reading/Language Arts and Math, grades 4 and 8 in Science, and grades 4, 8 and 10 in Social Studies.

These graphs indicate the percentage of students who are proficient & advanced in the specified subject areas.

BEYOND Classroom Walls and BEYOND Test Scores

The School District of Amery is proud of student achievement IN the classroom AND educational opportunities OUTSIDE the classroom walls:

Career and Technical Education Academies (CTE) at the high school prepare students for careers that reflect the contemporary workplace. CTE Academies are offered in the areas of Construction, Agriculture, Catering, and Entrepreneurship. In the Construction Academy, students have built and sold five houses and will complete a sixth after the 25-26 school year! Additional lots of land have been purchased so students can continue participating firsthand in the entire process of building a house.

Abundant outdoor spaces on the school campus include a school forest, classroom shelters, wetland, a lake, a prairie, and a vegetable garden. Students learn about forestry, tap maple trees, plant and harvest vegetables, manage an apple orchard, plant trees, monitor bluebirds, study water quality, practice survival skills, snowshoe, and hike.

Youth Apprenticeship and Work-Based Learning opportunities in abundance for high school students.

The F.A.R.M. is a 35-acre parcel of land adjacent to the school campus for real-life expansion of hands-on agriculture education. Current projects include growing and harvesting corn and alfalfa, planting Christmas trees with kindergarten students who will get to harvest a tree and take it home when they are in high school, raising honey bees, and creating a corn maze. Future plans include an orchard, vegetable gardens, spaces to raise animals and train horses, a school farm classroom, and a school farm store.

An annual, two-day **environmental education trip** for all 5th grade students where they experience the diverse, rich, and unique region in which we live.

A variety of **extra-curricular opportunities** helping students develop skills such as leadership, teamwork, time management, and social interaction, while also allowing them to explore interests:

- 17 WAA high school athletic opportunities
- 7 middle school athletic opportunities
- Marching Band, Jazz Band, Jazz Choir
- A number of clubs & organizations including Dance Team, Powerlifting, Theatre, FFA, Forensics, and more.

Hands-on high school classes where students spend significant time outside the classroom including Horsemanship, Landscaping, Freshwater Ecology, and Outdoor Adventure Education.

We are also very proud of our unique educational program options outlined on the next page.

Points of PRIDE . . .

Program OPTIONS for Amery students & families

TRADITIONAL CLASSROOMS: Amery's Traditional classrooms are available to all children in 4K Preschool through Grade 12. These classrooms utilize a variety of innovative teaching tools allowing students to engage within a balance of choice activities, projects, small groups, integrated technology, exploration, and more.

MONTESSORI: The Montessori philosophy of education is based on self-directed activity, hands-on learning, and collaborative play. Students make creative choices in their learning while the classroom and the teacher offer age-appropriate activities to guide the process.

Amery offers Montessori as a multi-age option at the following levels:

- **Children's House** for 4K Preschool & Kindergarten
- **Lower Elementary** for Grades 1-3
- **Upper Elementary** for Grades 4-5

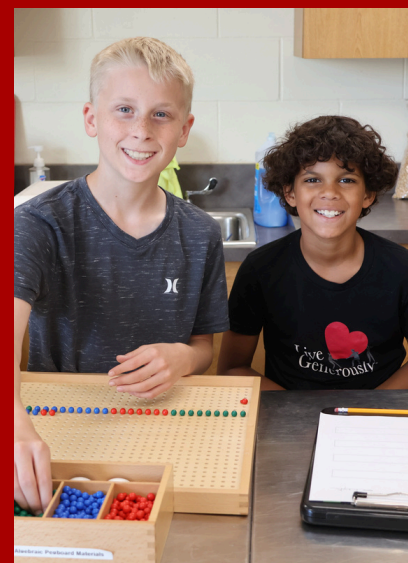

COLLEGE AND CAREER READY: Amery High School offers several programs to ensure students are college and career ready:

- Advanced Placement (AP) courses, additional Advanced Offerings, and Dual Enrollment college credit courses.
- Youth Apprenticeship, Industry-Recognized Credentials, Work-Based Learning, and Embedded Technical Diplomas.

CAREER & TECHNICAL EDUCATION (CTE) ACADEMIES: CTE Academies are offered in the high school in Construction, Agriculture, Catering and Entrepreneurship. Students in the academies earn college credits and industry-recognized credentials. Many of the academy students are also in the Youth Apprenticeship program developing valuable workplace skills.

THE CLUBHOUSE provides quality care for infants, toddlers and school-age children in 4K through Grade 5. It is a safe, supervised, enriching environment for all children. The Clubhouse is conveniently located in the elementary school and is recognized by Polk County as a reimbursable childcare provider through the Wisconsin Shares program. The Clubhouse provides infant and toddler childcare year-round, before and after school care for 4K through Grade 5 students during the school year, and a summer day camp for 4K through Grade 5 students.

All children are unique in how they learn, develop, and grow. Each program here offers strengths for the academic, social, and emotional growth of children. Parents have the opportunity to choose the best learning environments for their children.

DIY WORKSHOPS - Design & complete your own!

Choose from a variety of styles, colors, and provided materials to make each project your very own. All supplies and tools included. Instructor Carissa from Loganberry Interiors. Sample photos of each project available in the online registration. Fun night out!!!

All classes 6:30-8:30p.

- **Wooden Hanging Sign** 12" diameter; Feb 18 \$22
- **Decoupage Spring Planter**; Feb 25 \$19
- **St Patrick's Day Gnome**; Mar 4 \$25
- **Artificial Succulent Tea Cup Arrangement**; Mar 18 \$22
- **4-Piece Wooden Bunny Shelf Sitters**; Apr 1 \$25
- **Easter Gnome**; April 15 \$25
- **Wooden Welcome Plant Hanging Stand**; Apr 29 \$60
- **Patriotic Gnome**; May 6 \$25
- **Patriotic Light-Up Porch Leaner**; May 13 \$39

TECHNOLOGY COURSES LIVE ONLINE VIA ZOOM

Each course is live from 12-1p. Can't attend live? View the recording afterwards and have access to the instructor for help as needed.

- **Parents with Littles - Your Technology Safety Toolbox**; Thur, Mar 13
- **Create Social Media Content Without Panicking**; Tue, Mar 18
- **Canva for Awesome Beginners**; Thu, Mar 20

Follow-up support from the instructor is included, and participants are encouraged to reach out with questions before or after a class.

Instructor Nickie Welsh \$25/class

DNR CERTIFICATION COURSES

\$10/class

Must have DNR ID# to sign up. For ages 11+. Certificates valid at age 12. All are in-person, traditional classes. Register in advance with Amery Community Ed. Must attend all scheduled class meetings for each class.

- **HUNTER EDUCATION:** Three classes offered.
 - March 31, April 1, 3, 7 from 5:30-8:30p
 - June 16-19 from 8-11:30a (during summer school)
 - June 16-19 from 12-3:15p (after summer school)
- **ATV SAFETY:**
 - April 14, 15, 17 from 5:30-8:30p
- **BOATING SAFETY:**
 - May 19, 20, 22 from 5:30-8:30p

BABYSITTER TRAINING: AMERICAN RED CROSS

For ages 10-15. Gain the knowledge & skills to safely and responsibly care for children and infants. Class includes first aid and CPR training.

Instructor Wendy Carlson

Sat, Mar 15 from 9a - 3:45p \$45

INSTANT PIANO & GUITAR

In just a few hours, you can learn enough secrets of the trade for years of musical enjoyment. Fee includes the online book, online follow-up lessons, a class recording, and optional question & answer sessions. Classes are part online using zoom, part hands-on instruction, and part demonstration. Ages 13+.

Instructor Craig Coffman

- **PIANO** Mon, Mar 10 from 6:30-9:30p \$65
- **GUITAR** Tues, Mar 11 from 6:30-9:30p \$65

FAMILY OPEN GYM

- Adults must stay in the gym.
- Bring clean gym shoes.
- Intermediate School
- Enter through the North doors.
- 2-4p
- 1st & 3rd Sundays each month
- Ends March 16

PICKLEBALL OPEN GYM

- Bring your own paddle if you have one.
- High School
- \$3 per night OR pre-buy a \$24 membership. Bring exact change.
- Wednesdays
- 6-8p
- Ends March 12

BASKETBALL OPEN GYM FOR YOUTH & FAMILIES

- Grades 4-12; younger are welcome with an adult.
- Sundays 1:30-3:30p
- Ends March 9
- Middle School
- Enter through the North doors.
- Bring your own basketball & clean gym shoes.

INDOOR WALKING Walkers are welcome in the school hallways from 4:30-6:30p on days that school is in session.

ADULT INTRO TO RUNNING - 5K TRAINING

For ages 18+ (all abilities!) who want to start running, return to running, or have a group to run with. In 10 weeks, learn the basics of training for & running a 5k.

Sundays, Mar 30 - June 1 from 3-4p

Instructor Maria Long, certified coach, Brightside Running

\$110

FINANCIAL SAFETY/FRAUD AWARENESS SEMINAR

Protect your data, identify & avoid common cyber threats, & ensure a secure online presence.

Thur, Mar 6 at 6p; Intermediate School
Free - just show up.

EASTER COOKIE DECORATING

Move step-by-step through the decorating process with the instructor & unleash your inner cookie artist! All supplies included.

Instructor Zoe from Chaos & Coneflowers

Sat, Apr 5 from 9-11a

\$45

HERBAL FIRST AID KIT

Discuss plant identification, medicinal benefits, and how to make your own salves, oils, and liniments.

Go home with an Aloe Vera plant.

Instructor Master Herbalist Lisa Kofakis

Mon, May 5 from 6-8p

\$35

WISCONSIN STARWATCH PARTY WITH MIKE LYNCH (WCCO)

Make the stars your old friends as we watch the great show in the skies over Amery. We'll have giant telescopes aimed at Saturn, Jupiter, star clusters, galaxies, and other great celestial treasures. Learn about popular constellations and some of the great stories behind them. You'll get a great handout package with user-friendly star maps and constellation charts, websites, a telescope-buying guide, and more! If it's cloudy, you'll get a Mike Lynch "Cloud Check" for a future Starwatch class.

Friday, April 4 from 8-10p

- Adult \$19
- Youth ages 10-18 (children under 16 must be accompanied by an adult) \$12
- Under age 10 Free

DISNEY'S FROZEN AT THE MINNESOTA CHILDREN'S THEATRE

Saturday, April 26, 11:00a matinee (length 2:15 with a 20-minute intermission).

Main floor seating rows N & O. Best for all ages.

Children must be with an adult.

Depart 9:15a from Amery

Approximate return 3:00p

- Child/Sr/Military Adult (children ages 17 & under, senior ages 62+) \$59
- Adult \$69

Cost includes all theatre fees and school bus transportation.

We will not be stopping for lunch, but you are welcome to bring a bag lunch to eat on the bus before and/or after the show.

Purchase tickets through Amery Community Education by Tuesday, February 25.
